PATRONS

Dr. K.R. Sharma Mr. Devashish Gaur

FROM THE DESK OF CHAIRMAN

Thanks to the respectable faculty members, dear students and guardians, whose undoubtable efforts and faith resulted in an achievement of Innovation College of Pharmacy to acquire the continual approval from Pharmacy Council of India. This approval signifies that ICP has the best academic standards, infrastructure, facilities and faculty to provide excellent quality of education and sincere commitment towards overall development.

How can I miss to complement the inputs of ICP Staff for organizing events, which provides various platforms to the students for showcasing their talent whether in the sports, moral or other co-curricular grounds.

As we have lot more to achieve this year, with sincere hope I congratulate everybody associated with us well in advance for this year's excellent finish.

Dr. K.R. Sharma
Chairman

FROM THE DESK OF PRINCIPAL

We're definitely making the difference by fulfilling our commitments towards the quality of education, overall development of students and meeting social responsibilities. Thanks to the dedicated team of employees who have sometimes sacrificed personal priorities over the organizational needs, with an outcome of such a tremendous feedback from across the globe.

As we continue our journey towards expanding on all fronts, we have to be well prepared to face all challenges that come our way and be mindful on creating even more opportunities for all of our associates.

Dr. Peeyush Sharma
Principal

Plantation Day [5th September 2014]

We understand and value our social responsibilities, as a result of which we came up with our contribution towards conservation. ICP organized a Plantation activity not only within the college premises but also with the surrounding area. ICP students, along with the Faculty members took the responsibility of planting at least a sapling. Not only plantation, but students also connected with the local residents to spread awareness about our responsibility towards our habitat.

Scout & Guide Camp [10-12 February 2015]

The mission of Scouting is to contribute to the education of young people, through a value system based on the Scout Promise and Law to help build a better world where people are self-fulfilled as individuals and play a constructive role in society. It is a movement that aims to support young people in their physical, mental and spiritual development, that they may play constructive roles in society.

Career Advancement & Guidance

Industrial Visit [6th March 2014]

In Innovative College of Pharmacy, we strictly believe that learning must not be restricted within the walls of classroom. An Industrial tour was organized for students to the Arbro pharmaceuticals. This tour was organized by Mr. Jeetendra Sharma & Mr. Amarjeet Singh.

TAKE AWAYS

Mr.Pramod Kumar (B.Pharm 4th year)	It was an excellent opportunity for us to visit Arbro pharmaceuticals, as we got to learn various machines like FBD, Tablet coatingpan, Tablet press etc.
Ms.Rachna Pandit (B.Pharm 3rd year)	We thank ICP for taking us to Arbro as it provides an insight into the real working environment of the Industry, and helps to understand the do's and don'ts of the industrial practice along with the GMP practice.

Placement News

Innovative College of Pharmacy has fully organized and functional Counseling & Placement Cell. The Placement Cell provides personal & career related support to students. The idea is to enable the student to effectively cope with life at the Institute as well as later on in their careers.

It also provides assistance and guidance to its students in getting employment in the corporate world. The Cell prepares the students to face the corporate world and its culture through the personality development sessions, mock interviews, role-playing classes and audio-video tapes to improve their oral communication skills. Cell arranges the psychological aptitude test classes, which will enable the students to cope up with any adverse situation in their life.

Following companies have visited and offered placements to our students with greater pay offers.
