News Letter Year:2015-2016

Issue: 3

From The Desk Of Chairman

It would be my proud pleasure to welcome new batch of students in pharmacy who are aspiring to be with us to fulfill their esteemed dream of becoming successful professional in their field of study. I congratulate the parents who have reposed their faith in us and got their wards admitted to our group of institutions. The present century belongs to science, technology and research. The pace at which innovations in these fields have changed our lives, business, industries and economy is revolutionary. Advanced technologies have redefined man limit in his journey and opened new vistas of knowledge and imagination.

I wish the students a bright future ahead, filled with joy and success.

Dr.K.R.Sharma

ORIENTATION PROGRAMME [22ND AUGUST 2015]

An orientation programme was organized in Innovative College of Pharmacy Greater Noida for newly admitted students of B. Pharm. / D. Pharm. / M. Pharm. (Session 2015-16) on 21.08.2015. The programme was coordinated by faculty member Ms. Nidhi with a welcome speech. The college principal Dr. R.K.ROY addressed the students and elaborated the linkage between education and happiness in life. As a representative of college management Dr. Titiksha Sharma motivated students to take part enthusiastically in various co-curricular and extra-curricular activities being organized by the college from time to time for overall development of personality.

ASIA LABEX EXHIBITION [25th & 26th AUGUST 2015]

It was a great opportunity for students to visit Exhibition of Asia Labex, which was held in Pragati Maidan on 25th & 27th August 2015. There were various instruments of new technologies like ultra centrifuge, dissolution apparatus USP, large scale distillation unit, horizontal and vertical granulation unit etc.

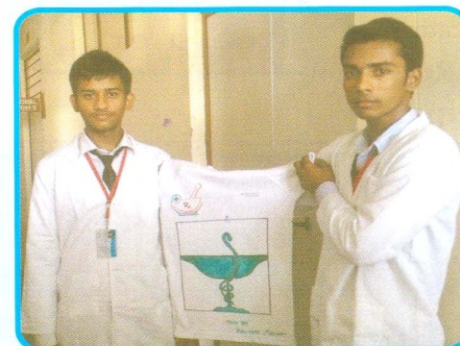

PLANTATION DAY [5th SEPTEMBER 2015]

Social responsibilities are also valuable for ICP. Plantation activity was organised within the college campus but also within the surrounding area. ICP students, along with the faculty members took the responsibility of planting at least a sapling. Students also connected with the local residents to spread awareness about our responsibility towards our habitat.

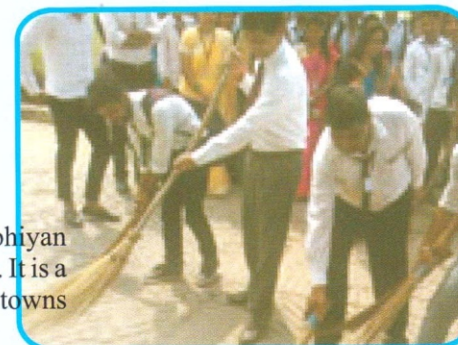

TEACHERS DAY [5th SEPTEMBER 2015]

Every year ICP students hosts the teacher's day not only to pay the honor to Dr. S. Radha Krishan but also to express their gratitude towards their Mentors. We have been honored to have the environment where students don't miss an opportunity to thank their Educators. Most memorable event of the day was the oration from students, trying to express their appreciation towards their favorite teachers.

PHARMACIST DAY [25th SEPTEMBER 2015]

Medicine must go hand in hand with pharmaceutical expertise or in other words with pharmacist. This programme was coordinated by students of Ilmt College of Pharmacy on 24/09/2015. There were number of students from our Innovative College of Pharmacy

SWACHH BHARAT ABHIYAN [2nd OCTOBER 2015]

Innovative College of Pharmacy celebrated Swachh Bharat Abhiyan. Swachh Bharat Abhiyan is also called as the Clean India Mission or Clean India drive or Swachh Bharat Campaign. It is a national level campaign run by the Indian Government to cover all the backward statutory towns to make them clean.

Year:2015-2016

Insight

FRESHER'S PARTY [15th OCTOBER 2015]

Fresher's party was arranged for new students with intent to provide a friendly environment, encourage their creative impulses and boost up their confidence. Event was started with the lamp lighting by the admirable chief guest, followed by address to new joiners from the Principal, faculty members and seniors.

WORKSHOP ON INTELLECTUAL PROPERTY RIGHTS [4th & 5th FEB 2016]

This conference offered useful and implementable guidance on current topic Intellectual property which refers to creations of the intellect for which a monopoly is assigned to designated owners by law. Intellectual property rights (IPRs) are the protections granted to the creators of IP, and include trademarks, copyright, patents, industrial design rights, and in some jurisdictions, trade secrets. Artistic works including music and literature, as well as discoveries, inventions, words, phrases, symbols, and designs can all be protected as intellectual property rights.

VASANT PANCHAMI [12th FEB 2016]

Spring Festival

Spring festival is celebrated on eve of Basant Utsav. It signifies the prosperity & symbolizes with yellow color & students displayed Rangoli along with Spring Queen Ceremony.

SPORTS MEET

[18th, 19th, 20th February 2016]

The 3 days event was full of lots of victories and near misses and also aim to impart lessons on sportsmanship and health benefits to children. Event started with Flag hosting with national anthem, followed by inspection of various houses by our honorable chief guest. At the end of the event presence of parents during the prize distribution ceremony added more colors to this event.

SEMINARS, CONFERENCES & WORKSHOPS @ ICP

ICP accept as true in the power of knowledge sharing. We impart the knowledge not only to the students within the campus, but to everyone, who so ever has willingness to learn. As an objective of sharing diagonally various platforms, we at Innovative College of Pharmacy host various National seminars, Conferences and workshops throughout the academic year. Following are some of the glimpses of the same.

SEMINAR ON CYBER SECURITY [8TH APRIL 2016]

This conference is conducted to provide the guidance on Computer security, also known as cyber security or IT security. It is the protection of information systems from theft or damage to the hardware, the software, and to the information on them, as well as from disruption or misdirection of the services they provide. It includes controlling physical access to the hardware, as well as protecting against harm that may come via network access, data and code injection and due to malpractice by operators, whether intentional, accidental, or due to them being tricked into deviating from secure procedures.

NATIONAL SEMINAR ON MEDICAL CODING [8TH APRIL 2016]

Medical coding is the transformation of healthcare diagnosis, procedures, medical services, and equipment into universal medical alphanumeric codes. The diagnoses and procedure codes are taken from medical record documentation, such as transcription of physician's notes, laboratory and radiologic results, etc. Medical coding professionals help ensure the codes are applied correctly during the medical billing process, which includes abstracting the information from documentation, assigning the appropriate codes, and creating a claim to be paid by insurance carriers.

FAREWELL PARTY 2016 BATCH [30th APRIL 2016]

As a trend from every year, this year also a farewell party of D.Pharmacy and B.Pharmacy was organized for 2016 batch in Innovative College of Pharmacy. The farewell party was celebrated with lot of enthusiasm & joy. This was an occasion for the outgoing students to look back at time they spent in the campus and the education they acquire during their period. All the faculty members wished the students for their bright and shining future and guided the students not to look back at the threshold of this college & to go ahead to see the world.

INDUSTRIAL TOUR

Innovative College of Pharmacy believes that learning must not be restricted within the walls of classroom. An industrial tour was organized for students to the Montek Biopharma. This tour was organized by Mrs. Bhawana and Miss Preeti.

PLACEMENT NEWS

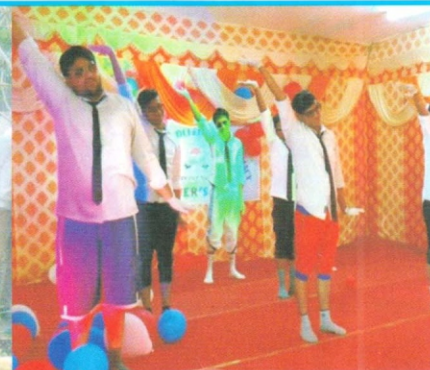

Training and placement cell forms an integral part of the institute. Innovative College Of Pharmacy provides complete infrastructure for effective functioning of the cell. Training activities are organized throughout the year in an effort to prepare prospective students for campus selection programmes. The cell invites various pharmaceutical companies like Ranbaxy, Alkem, Panacea biotech, Lupin, Indswift and any more.
