## ABOUT COLLEGE

### INNOVATIVE GROUP OF INSTITUTIONS

Innovative Welfare and Education Society (Regd.) duly registered under the Society Registration Act 1860 on 9th February, 2004 took upon itself the onerous task of spreading literacy in the rural and urban areas in India.

### THE CHAIRMAN

A philanthropist by temperament, our Chairman Dr. K. R. Sharma is an eminent scholar, distinguished educationist, an erudite speaker and a perfect gentleman. He is research minded and is associated with many institutions of higher Education and organizations as an Expert member. His inner urge and fascination for academic pursuit drove him to join teaching profession and ultimately with in a very short span of time he became a very popular and esteemed teacher of Hindu College, a premier and reputed centre of academic excellence in University of Delhi.

Prof. (Dr.) K. R. Sharma

Dr. Sharma is a keen observer with clear vision and strong determination. He strongly believes in quality education, which can train students to meet challenges bravely in contemporary socioeconomic scenario. With this pious objective, he has established Innovative Group of Institutions in Greater Noida, which is gradually becoming intellectual capital of country. These institutions are having a galaxy of qualified and experienced teachers with superb infrastructure.

## “ Current Scenario of Drug Regulatory Affairs in Pharma Industry ”

### THEME OF THE SEMINAR

Drug-Regulatory Affairs act at the interface between the pharmaceutical industry and drug regulatory authorities across the world. Its function is to ensure that pharmaceutical products to be marketed meet all the regulatory expectations with regards to quality, purity, safety and efficacy. In addition, it also confirms the appropriateness and accuracy of product information.

The seminar aims to provide information on the functional domains and scope of pharma regulatory affairs, including but not limited to the following:

- Preparation of organized and scientifically valid NDA, ANDA, INDA, MAA, DMF submissions.
- Ensure adherence and compliance with all the applicable cGMP, ICH, GCP, GLP, WHO, FDA guidelines, regulations and laws.
- Providing expertise and regulatory intelligence in translating regulatory requirements into practical workable plans.
- Advising the pharma-companies on regulatory aspects that would affect their products and services.
