NOTICE

This is to inform you that Innovative College of pharmacy is celebrating “**WORLD PHARMACIST DAY**” on 25th and 26th Sept 2019.

Celebrating WORLD PHARMACIST DAY means giving and recognizing importance of our profession. Being a very important part of health care providing system, all students must participate and bring forward the new and innovative ideas how to serve better with more responsibility.

Students interested in participating for any event may give their name to their respective class coordinators by 20 sept 2019 positively.
