Year : 2016-17

From the Desk of
Chairman

"We cannot always build the future for youth, but we can build our youth for the future."

These words by Dr. K. R. Sharma utterly describe our aim at Innovative College of Pharmacy. In a globalized, market driven and interconnected world, both individuals and institutions are attempting to make a cultural impact. The need of the hour is to produce men and women who are visionary, dynamic and innovative. Today's corporate world demands individuals who are not only skilled but are innovative thinkers and are confident to face everyday challenges. We at ICP offer programs for holistic development of our students. We make them intellectually adept & socially and technically sound through brain storming sessions, seminars, discussions, case studies, project presentations and other events. These activities would promisingly strengthen the overall knowledge and skills of our students and present them with the required organizational acumen. I invite you to be a part of our institution and gain from teaching method which help to build a great career. Our committed faculty, curriculum and excellent facilities will ensure that you embark on a global career leaving a blazing trail of success. I invite you to shape your future at our campus. I wish you all the best for your years of hope and fulfillment that lies ahead of you, waiting to be grabbed.

May God bless you!
