POLICY ON INCENTIVES FOR RESEARCH AND PUBLICATION

1. OBJECTIVE

Innovative College of Pharmacy is committed to promote research culture in the campus by establishing Committee on Research and implementing specific and goal oriented research activities/schemes to facilitate research activities to be undertaken by the faculty members independently or collaboratively involving industry and students. There shall be the following research facilities.

2. SCOPE OF THE POLICY

This policy applies to all faculty members. The policy's scope includes the following objectives:

- To encourage faculty members to focus on research-related activities in addition to teaching, in order to publish research papers in reputed international and national journals with a high impact factor.
- To pursue writing books, book chapters, monographs and other works for publication by reputed international and national publishers.
- To arouse faculty members' interest in joint research initiatives with their colleagues at reputed national and international universities.
- To encourage faculty members to submit research proposal applications to obtain financial assistance for research initiatives from a variety of Indian and international funding organizations

- To foster faculty members' creativity in order for them to create unique contributions in the form of goods, processes etc. and to acquire patents.

3. DETAILS OF THE POLICY

- It is required that all publications/books/book chapters/monographs/copyright and research projects, financed bear by Innovative College of Pharmacy.
- Incentives will be considered for research papers published in indexed journals.

Details follow-

Original research article, review article, short communication, case study or case report, book chapter are all examples of research publications.

The committee will make the final decision.

4. RESEARCH MANAGEMENT

Overall management of research activities may be coordinated by Research Development Cell, under the supervision of Director/ Principal, Research & Development and advisory body.

5. STUDENT RESEARCH

To enhance quality research output, student mentorship/internship shall be facilitated to encourage undergraduate students to pursue research activities leading to tangible output.

6. QUALITY OF PUBLICATIONS

The research carried out in college system should be of good quality adhering to highest standards of ethics. In order to recognize the research contribution, the college encourages publications in journals indexed in UGC CARE/ SCOPUS journal. Impact factor provided by Journal.

The committee cell consist of following members:

1. Dr. Amarjeet Singh(Convener)
2. Dr. S.K. Batra (Co-convener)
